

Global Leadership in Panel Instrumentation

ST **sifam tinsley**
PRECISION INSTRUMENTATION

Electromechanical Instruments Accessories

Analog Panel Meters
Current Transformers, Shunts
CAM Switches

Power Monitoring & Control Instruments

Digital Panel Meters
Multifunction Meters
Power Quality Analyzers
Electrical Transducers
Analog & Digital Synchrosopes
Energy Management System

Process Control & Automation Devices

Isolators / Transmitters
Temperature Controllers
Power Supplies & Battery Chargers
Data Loggers & Converters
Protective Relays
Paperless Recorders

Test & Measurement Equipment

Digital Multimeters
Clamp Meters
Insulation Testers
Earth Testers
Environmental Meters
